

Insurance Key Terms

	Total Points Earned
18 (1 point per box)	Total Points Possible
	Percentage

Name _____

Date _____

Class _____

Directions:

1. Before the lesson, write the definition of each vocabulary word in your own words.
2. After the lesson, create a sentence in the third column using both words from that row. The sentence should provide enough information to give the reader a clear idea of what each word means by either describing how the words relate to one another or explaining a real-life scenario.

Before the lesson		After the lesson
Vocabulary Word	Vocabulary Word	Sentence Using Both Words
Insurance Definition:	Risk Definition:	
Premium Definition:	Deductible Definition:	

<p>Health Insurance Definition:</p>	<p>Co-Insurance Definition:</p>
